## Harvest Will Get Underway in a Week Salvage Campaign Will Start

### Ensign Haley Is Signal Officer in the Navy

ENSIGN ARTHUR C. HALEY, JR.  
Ensign and Mrs. Arthur C. Haley, Jr., reported at Jacksonville, Fla., Tuesday. They left Friday morning after visiting in the parental Warwick home.

### 4-H Club Boys Entertained at Army Air Field

Twelve Randall county 4-H boys were honored by the U. S. Army at the Amarillo Air Field Tuesday. These boys are the ones whose 4-H reports to the County Agent indicated they had produced enough food in one year to feed themselves and one soldier for one year. There were 66 boys in the party from eight counties in this part of the Panhandle. The Randall county delegation was the largest from a single county.

The boys and County Agents were guests of the Public Relations Officer, Captain Sidney J. Kring, who arranged for the boys to be shown about the field and explained to them the training being given the men in the training school. The boys were shown one of the large mess halls where they saw that the men are well fed and observed the methods of preventing waste of food. They observed how the men are taught to repair the large bomber planes. When the boys were tired from walking most of them were given a short ride in a jeep (with a woman driver).

The boys enjoyed the day very much and now have a much better idea of the work it takes to "keep 'em flying."

The following boys made the trip with County Agent W. H. Upchurch: Fay Hand, Jones Hales, Richmond Hales, Richard Beckman, Billy Dugan, Rudolph Priemel, Jr., William Vorwald, Robert McClelland, Franklin Bauer, Melvin Smith, James Bible and Arthur Spiser.

### Newton Harrell Is Called to Omaha Agricultural Meet

Newton Harrell, prominent ranchman from Claude left Tuesday for Omaha, Nebraska, where he will attend an agricultural meeting. This meeting will be attended by agricultural leaders from all parts of the country.

Three men from Texas are attending, and A. & M. College at College Station notified Mr. Harrell he was to be one of the select few to discuss critical problems at this conference.

Mr. Harrell, a son of Mrs. Ed Harrell of Canyon, is engaged in farm and ranch management.

### BOMAR BROWN LEAVES

Bomar Brown left yesterday for Ft. Sill, Okla., where he reported for military duty. He was accepted under Selective Service at Lubbock last week.

Technical Sergeant Sanford L. Black, Jr., left Friday for Abilene where he is now stationed. Sgt. Black, formerly of Camp McCoy, Wisconsin, spent a 7-day furlough in the home of his parents, Mr. and Mrs. Sanford Black.

### Need for Silks, Nylon and Fats

Metal Drive Will Be Held  
In July; Citizens Asked to  
Smash and Pile Tin Cans

The great need of gathering all salvage in the nation was stressed Monday at a meeting in Amarillo. C. L. Thompson and W. H. Upchurch attended this meeting.

A nation wide campaign is being organized, and citizens are urged now to begin their plans for this campaign.

Scrap metal, fats, tin cans, all kinds of old silks and all nylon hose are greatly needed for this drive.

The Amarillo Air Field is putting a salvage crew out to assist farmers in marketing their old scrap iron. It was originally planned to work Randall county this week, but due to impending harvest this campaign was postponed until the last week in July. Before the soldiers move into the county to assist with this work all farmers will be notified and scrap metal will be solicited.

Mr. Thompson states that he was impressed with the great need for marketing fats, saving tin cans, silks and nylon. Tin cans need not be washed or the lids cut out. All that is needed is for the cans to be smashed flat. It takes 30,000 pounds of tin cans for a car load, which is more cans that may be gathered in a town the size of Canyon in a reasonable length of time. Therefore it is suggested several towns pool their tin cans for shipment. This plan will be worked out through the local salvage committee.

All women are urged to gather up all old silks and nylons and have them ready for the salvage campaign. These will be used in various types of war materials.

Both Mr. Thompson and Mr. Upchurch were impressed with the urgent need for saving all of the items which are called for and for every citizen of Randall county to make a special effort in this coming salvage campaign.

### Applications on Institutions to be Filed With Board

All institutional users will register for July and August allotments between June 16 and July 5, according to statement of T. S. Stevenson, clerk of the Randall County Ration Board.

Form R-1309 is being mailed to all users. This form must be filled out and returned to the local board on or before July 5.

### No. 3 Ration Books Starting to Come Here

The first ration books came thru the local postoffice Friday.

The new No. 3 ration books will be used a little later when stamps in present books are used, or other items are subject to rationing.

Only a few of the new books have been received, but it is expected that all who made application before midnight of last Thursday will receive their books during the coming week.

### Edw. Gerald Works on Ph. D. Degree

Prof. Edward Gerald has left the University of Missouri for a year's work in the University of Minnesota. He is working on his Ph. D. degree. He has been a member of the School of Journalism faculty for several years and was acting head for a year following the death of Dean Martin.

Prof. Gerald is a son of Mr. and Mrs. Ed Gerald of Canyon.

### CALLED BY DEATH

Mr. and Mrs. Ray Campbell and daughters, Martha Frances and Jane, were called to Chillicothe by the death of Elza B. Page, husband of Mr. Campbell's sister. They returned Monday night following the funeral.

Capt. and Mrs. R. A. Neblett and children will leave Friday for Abilene where Capt. Neblett will report at Camp Berkeley. He has been on a 10-day leave from the Medical Corps.

### Canyon Is Friendly Says Citizen

Praising His Neighbors

There is an old story about the man who wanted to move because his neighbors were so mean. When he reached the "land of promise" he asked an old-timer what kind of folks lived there. Old-timer asked how the folks were back at his old home, and he proceeded to tell all of the mean, ugly things they did and said. The old-timer responded that the new-comer should move on, as the same kind of folks lived here.

Another man came up about this time and said that he also came to make his home. Old-timer asked about the folks in his old home, and he proceeded to tell what wonderful folks they were, and how he hated to leave them. Satisfied, old-timer advised the new comer that he had really reached the "land of promise" because that was exactly the kind of folks who lived here.

The News received a letter this week with a statement from the oldest citizen of Randall county, T. J. Prichard. Mr. Prichard had stated to friends that he had the best neighbors that any man could have. His neighbors were kind and considerate, and brought Mr. and Mrs. Prichard many appreciated gifts. The people of Canyon were all very kind and friendly, and the postoffice force was very accommodating and thoughtful of his needs, stated Mr. Prichard.

Mr. Prichard is 91 years old. He has a kindly disposition, and therefore he is honored and respected by those with whom he associates.

### Bond Sales Are Lagging During First Half June

War Bond sales are not keeping up the pace which was established during the first period of the month.

The sales for the first 15 days amounted to \$10,633.75.

The quota for June is \$24,400. A total of \$13,766.25 must be sold by the end of June in order that the quota be met, according to R. H. Wright, county chairman.

### Vegetable and Fruit Canning Demonstration

A demonstration on canning vegetables with a pressure cooker and canning fruits in the water bath will be given in the Canyon High School Home Making Laboratory, Friday, June 25, beginning at 3:00 o'clock.

The demonstration will be sponsored by Misses Margaret Barrett and Lilla Clark, West Texas State College instructors, Miss Rhita Jean Sullivan, Canyon High School home making teacher, and Miss Frances Wilroy, County Home Demonstration Agent.

This demonstration is being given for the women of Canyon who are interested in preserving food for home use.

Anyone who is interested is invited and encouraged to attend.

Cpl. Earl Brooks, Jr., left last Thursday after a 7-day furlough visiting his sister and family, Mr. and Mrs. Happy McAtee. Cpl. Brooks is stationed in Lincoln, Nebraska.

### Some Folks Are

### Wasting Water

At Dreamland Cemetery

Many complaints have been filed with officers of the Dreamland Cemetery Association that some persons leave the water turned on after working on their lots.

There is no surplus of water at the cemetery and when one person uses more than his share, others are deprived of the use of water. When citizens go to the cemetery to work and find that the tanks have been emptied and water wasted, they are deprived of improving their lots.

All citizens are urged not to waste water, and by no means allow water to run after they have completed their work.

### New Group of Men Arriving

Second Flight from West  
Texas State Slated to  
Leave Campus Next Week

Another group of soldiers will arrive at West Texas State this afternoon. These will replace the first group which finished the course here and moved to Santa Ana, Calif.

The second group of men to finish the course here is expected to be moved next week.

Under the contract of the Army Air Corps with the college a constant flow of men will take the courses here and go on to other camps to start their air training.

### Guard Ration Books, Advises OPA Officials

"Ration books can be more valuable to the individual than money," the District OPA office said today in issuing a warning against the careless handling of their books by many customers. Advising that local War Price and Rationing Boards will have to become more severe in re-issuing books, the OPA pointed out that persons should keep their books in a safe but accessible place.

When the consumer appears before a ration board and reports that his ration book has been lost, he must wait ten days or longer before he can obtain another. A few days of going without coffee, sugar and other food often tends to sharpen the memory and individuals in many cases appear before the Board and explain that their books have been found. Carelessness and disregard for the importance of their ration coupons were found to be two of the chief causes for losing books.

### John W. Wilson Secures 30-Day Sick Leave Seabees

According to word received by his parents, Mr. and Mrs. P. M. Wilson, John W. Wilson, member of the Seabees, has arrived in the Navy Hospital in Oakland, Calif., from the South Pacific.

Mr. Wilson has had malaria fever four different times.

He was carried off Guadalcanal on a stretcher, taken by plane to New Zealand, and sailed to San Francisco.

His wife will leave Saturday to accompany him to Canyon for a 30-day sick furlough. In his first phone call to Canyon, he informed his parents that he was mostly over his fever, but he was very weak.

Mr. Wilson, who has been in the Seabees for over a year, has been in the South Pacific since September 1.

### Billy Davis Has Broken Leg

Billy Davis, S 1/C, and son of Mr. and Mrs. W. T. Davis, is in the Naval Hospital at Pensacola, Fla., receiving treatments for his leg which is broken in two places. Billy, a member of the Coast Guard, was in a magnolia tree, when one of the limbs broke, causing him to fall, and injure his leg. According to the latest reports, though, he is doing very fine.

### G. W. Cox Able to Be Out Tuesday

G. W. Cox was able to come to Canyon Tuesday morning for the first time since he became ill.

He is very weak, but was glad for the opportunity to be out for a little while.

### MARRIAGE LICENSES

T. E. Needham and Opal Leona Barker, June 10.

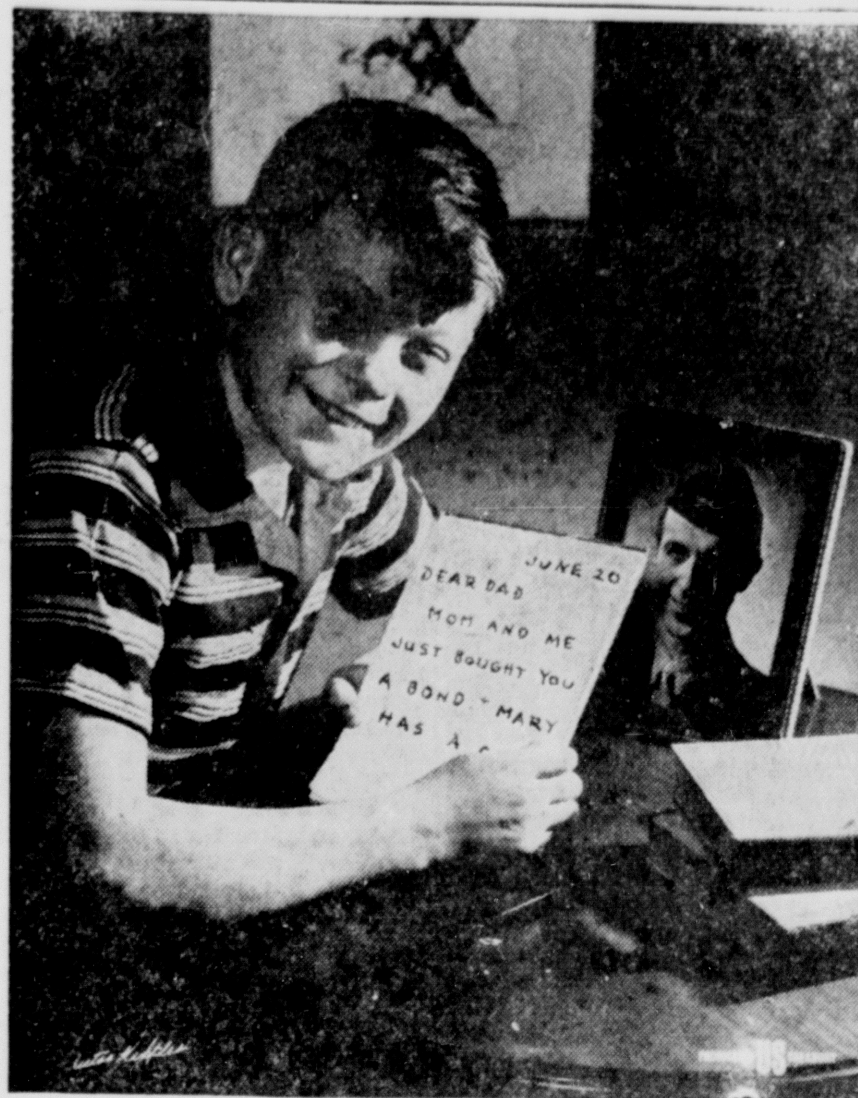

Blair C. Woodside, Jr. and Marjorie Mary Garthwaite, June 12.

Arthur Neff and Mrs. Verna Williams, June 16.

Mr. and Mrs. Bill Hood and family from Bivins Station spent Sunday and Monday with Mr. and Mrs. Leslie Key and Sylvia.

Miss Martha Oliver is spending the summer at Long Beach and San Diego, Calif.

### A Wartime Father's Day

This youngster may be separated from his Dad by countless miles but today, especially, he is close to him in spirit when he writes: "June 20—Dear Dad: Mom and me just bought you a bond."

U. S. Treasury Department

### Soldiers Will Be Entertained Friday Afternoon by Rotary, Lions Clubs

Range Riders Will Put on  
Exhibition, Followed by  
Barbecue at Buffalo Park

### When Fathers Be Inducted?

Various Statements From  
Washington Keeps Men in  
State of Uncertainty

Randall county will send a large group of men to Lubbock next Tuesday afternoon where they will take their physical examinations on Wednesday. Charles Edward Donnell is leader of the group.

The call is for 25 men, but only 20 will go from Canyon as others have been transferred to other Selective Service Boards for induction.

Five appeals have been made on classifications of the local board, which is the largest number ever made at one time. All of the appeals are from married men without children who feel that their jobs as civilians are more important than the service they could render the army.

The local board will meet Friday and classify a number of men who have had their local physical examinations during the past week. The next call for men is July 4, but it will be impossible to fill this call with men owing to the short time of only 12 days between the June and July calls.

Much confusion exists regarding the status of married men with children. Conflicting reports come out of Washington so that no one really knows when fathers will be inducted. Randall county will probably exhaust all available men in the August call.

All boards are called up to review the cases of men in defense plants with the view of inducting those who are not entirely essential.

### Bettye Solomon Is at Fort Devens

Auxiliary Bettye Solomon has reported to Fort Devens, Mass., to begin training in the WAACS.

She was recently accepted in this army organization and will spend four weeks in basic training.

### STORK SPECIAL

A daughter, Linda Lee, was born to Mr. and Mrs. Sidney Burgess of Amarillo June 10. Mr. Burgess is a son of Mr. and Mrs. John Burgess of Canyon.

A daughter, Margie Joe, was born to Sgt. and Mrs. Joe Gill last week in Abilene.

A daughter, Rachael Ann, was born to Mr. and Mrs. Lee Owen Heathington, June 10.

A son, Benito, was born to Mr. and Mrs. Bennie Baca, May 15.

BUY MORE WAR BONDS!

### Wheat Will Run Half 1942 Crop

Labor Problem Will Be  
Handled Through County  
Agent's Office in Canyon

Harvest will be in full swing in Randall county by the end of next week.

A few farmers are cutting a little wheat this week. This is largely wheat which was damaged by the green bugs, and the stalks are dead. In these cases, there is too much wheat left to be plowed under, but hardly enough for profitable harvest.

Many wheat farmers believe that the bulk of the wheat will be ready for harvest by June 25. Some of the late wheat will not be ready until about the 10th of July.

While predictions on the wheat yield vary in parts of the county, the opinion seems to prevail that the yield will be about half of the total of 1942, which was a record crop. Some farmers state that they will make as much or more wheat than last year, while others will make very little wheat because of the drought and green bugs.

County Agent W. H. Upchurch has calls for more than 50 harvest hands. In most instances men are now needed and will be put to work plowing and planting row crops until harvest is ready. The need for a big feed crop is most urgent this year, and farmers of Randall county will respond to the call for more feed if help may be secured.

Mr. Upchurch asks citizens of Canyon to refer to his office all men who are available for work. He will put them in touch with farmers who are calling for help. In the meanwhile, farmers who need help are urged to register their needs at the County Agent's office.

### Application For 'A' Books Ready on June 22nd

West Texas farmers and others living at a distance from their local War Price and Rationing Boards may renew their "A" gasoline coupon books by mail, the District OPA office pointed out recently, in an effort to save gasoline and prevent loss of hours from work. This plan will go into effect on June 22 and after that time, both motorists and motorcycleists should begin picking up their application forms. Local Boards will place these forms at all service stations.

Due to the fact that "A" rations expire on July 21, applications should start coming in immediately after June 22 in order that the boards will have time to process them and mail them back before expiration date. This mail renewal plan also includes renewal of the basic "D" motorcycle rations and eliminates the school house registration that was necessary when basic rations were issued, the OPA said.

Steps pointed out in the procedure to follow include (1) on June 22 pick up application forms from designated service stations; (2) fill out forms according to instructions and mail them back immediately to the boards. Accompanying these forms should be (a) the back cover of the present "A" or "D" book (properly filled out) and (b) the current tire inspection record showing that proper inspections have been made. New applications should show serial number of tires now on a car and if there has been any change since the last tire inspection, a note of explanation and evidence of purchase should accompany the application form.

### Phonograph Records Are Needed For the Armed Forces

Sponsored by the American Legion, another drive for phonograph records is being launched.

Our government must have these records to make new ones for our armed forces, so search your neighborhood for them. Canyon did not make even one-third of its quota in the last drive.

All folks from the country may leave their records in Farlow Electric Co., and if the citizens in town will call 114, 120, 162, 10, or 41, a Legionnaire will come and pick them up.

### MOVED TO CALIFORNIA

Mrs. A. N. Wilson has sold her home on Second Avenue and east of Cousins Hall to Mr. and Mrs. K. Goodman. Mrs. Wilson left Monday with Mr. and Mrs. C. D. Simmons, her daughter, for San Diego, Calif., where they plan to make their home.

Member of National Editorial Association and Texas Press Association.

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation indivisible, with liberty and justice for all."

Silly, ugly stories have been started in this country about men and women in service. To that extent the war has not been brought home to us. We hear some folks talk as if the armed service was composed of a bunch of hoodlums and that the women in service were women of the street. Naturally this accusation does not apply to Randall county men and women, because we know them to be fine, patriotic folks—just one of our type. But those fellows from other counties and other states! What a gang they really are! This is the silliest statement we have ever heard and is most unpatriotic for any citizen to make. Naturally Americans are not military in their attitude. We hate war, but this does not excuse us if we take an attitude of disgust with those whom we call upon to defend our homes and offer their lives that we may live in peace. We are very much of a peace loving nation, opposed to war of any kind, but when it is necessary to defend ourselves and to defend the institutions we love, certainly we should refuse to repeat those silly, nasty stories about the men and women who are in our armed services. If there ever was a civilian army, America has it. We had 160,000 men and officers when the war started. The 6 or 8 million men now under arms were drawn from the rank and file of this country. There are as good men and women, clean, patriotic, refined as we can find in Canyon or any other town. When you hear one of these stories repeated by a so-called patriotic citizen, a smack on his jaw would be very pardonable.

Amarillo recently went through a campaign trying to reduce noise because so many citizens are on night shifts and must sleep in the day time. The campaign was not very successful. Many large cities have taken drastic action against the fellow who blasts his automobile horn and disturbs all within a city block. Canyon has many workers now who are on night shifts and must sleep in the day time. The abuse of needless noise is growing here. This is especially true in cases of those who share their cars with other workers and gather their crowd by unnecessary horn blasts. Two things will cure this: The person who rides with others should be at the curb waiting for the car

to pick them up; and if the person is not at the curb, there is no need of waking the whole neighborhood with unnecessary blasts. Those who drive to work early should remember this.

Two weeks ago The News stated that the Republicans had mailed out questionnaires regarding a probable candidate for president in 1944. The Old Guard, composed of isolationists, got the jolt of their lives. When the returns were in, Wendell Willkie was the top man on every proposition submitted in this questionnaire. Willkie is too close to the Roosevelt administration to please the isolationists. It is even rumored that a suggestion has been made to the President that he run for a fourth term with Willkie as the candidate for Vice-president. We are going to have a campaign next year of some sort or other, but if the war is still on, the President will win in spite of what the old guard may think about it.

The new 20% withholding tax becomes effective July 1. If you are on a salary, this amount will be withheld in order that the government will be assured of collecting your income tax in full for 1943. You pay as you get paid, instead of waiting until next March 15th and wondering where you are going to raise the money to pay the tax bill. It is a pretty high tax, to be sure, but we are fighting the most expensive war the world has ever seen. Every person has an obligation in this war, and the quickest, easiest method of keeping money flowing into the treasury will hasten the end of the war.

Next Monday will again tell the story in the mine situation. If the President signs the Connally bill, John Lewis will be subject to a jail sentence if he calls another strike. We cannot help but wonder if Lewis would not relish being sent to jail. He would then be a martyr in the eyes of the miners. Those who have believed that patriotism would impel the miners to reject the pleas of Lewis are doomed to disappointment. Because Lewis has secured so much for them in the past, the miners will follow Lewis in this labor dispute rather than follow the President.

Senator Tom Connally wrote and engineered the anti-strike bill which has passed Congress. If the President signs the bill, it will be in response to popular demand that the administration take a firm hand against unnecessary strikes during the war. If he vetoes the bill, he will encourage more of the same kind of thing which is hampering the war program. The bill is drastic, and should not have been necessary. John L. Lewis and local union leaders who have called scores of strikes recently are entirely to blame for the bill.

We are not a bit enthusiastic about the prospects of Byrnes closing a lot of useless jobs in Washington. You know that would never do. We recall our experience down at Austin 10 years ago when the Legislature spent \$75,000 devising a plan to reduce 129 boards and bureaus to 15 or 20. What was the upshot? The plan was never adopted, but more boards and bureaus were established. Reducing functions of government is a hard job, as Mr. Byrnes will find out.

The Mediterranean is no longer Mussolini's Lake. The big Muss was accustomed to always refer to this as his property, as well as most of the land which touched the Sea. His empire is no longer an empire. The air force of the United Na-

tions is rapidly reducing the homeland of Mussolini. The once mighty man who strutted and raved is rapidly becoming another stuffed shirt, like so many other dictators who have preceded him.

An American officer told The News of a prisoner camp in which Italians are being held. His version is that the whole thing is a farce—guarding Italians to keep them from running away. Says this officer: "You could open every gate, and take away every guard and these fellows would gladly stay in this camp." Those Italians who have been fighting with Mussolini for these many years are enjoying their trip to America.

President Roosevelt has called upon the Italian people to revolt. This is good propaganda, but there is little likelihood that the people will be able to follow his advice. Hitler has enough soldiers to make it very uncomfortable on those who might rebel. Mussolini has trained all initiative out of the Italians, and they know nothing but to blindly follow his leadership.

German prisoners arriving in America express amazement. They have been told that German planes have bombed all American cities and that the Statue of Liberty has been dumped into the sea. They are amazed to find that Hitler has been lying to them.

## Mission Camps Well Attended Last Week

The annual youth camps sponsored by the Baptist Women of this immediate section were held at Ceta Canyon last week with 336 registered at the boys' camp and 628 at the girls' camp. The boys met the first half of the week and the girls the last half.

Rev. and Mrs. C. L. Culpepper of China were the missionary speakers, and Mrs. J. Lowell Ponder, District Young People's Leader of Plainview, supervised the whole program. Rev. M. L. Carroll of Matador and Rev. Herman Coe of Spur were the evangelistic speakers. During the assembly an opportunity was given for offerings to Chinese Relief and the boys and girls gave more than \$200.00.

Canyon boys and girls who attended the camps were: Ronnie Hillier, Carroll Wray Dickerson, Don Paul Johnson, Merle Hill (visiting from Lubbock), Carroll Johnson, Jerre Inman, Tommy Gooch, Bryce Slack, Harrell Hill Slack, Ross Forbes.

Kathleen Hillier, Jerry Foster, Bobbie Jean Ford, Joan Ford, Johnnie Marie Ford, Shirley Goodman, Joanna Haines, Barbara McDougal, Billy Gill, Yvonne Cheyne, Pauline Ruthart, Frances Gooch, Ann Crawford, Marilyn Williams, Joan Byars, Joyce Thurman and LaNell Campbell.

Mrs. Roy L. Johnson had charge of the Canyon group, and she was assisted by Mrs. W. H. Harden and Mrs. D. M. Foster. Mrs. Claude W. White was one of the teachers at the girls' camp.

"How much are potatoes worth now?"

"They're worth no more than they ever were, but they're costing about six times as much."

## Pfc. Cecil Ivester Is Killed in Wreck

PFC. CECIL IVESTER

Funeral services for Pfc. Cecil B. Ivester, Jr., son of Mr. and Mrs. Ivester of Sunray, were held last Saturday afternoon in the Sunray Baptist Church. The Rev. George Rickels conducted the services.

Pfc. Ivester was killed last Wednesday when his motorcycle struck a mail box near Honey Grove, Tex. while he was returning to his home on his first furlough. He entered the army Feb. 16, and was stationed at Camp McCain, Miss., where he was a member of the 8th Cavalry Reconnaissance Group. He was 19 years old.

Pallbearers were Todd Cone, Richard Craig, Jack Williams, Linus Bromert, Jack Taylor, and R. L. Roberts, fraternity brothers in the Epsilon Beta fraternity.

## Fairview Breezes

Rev. Lloyd Garrison filled his regular appointment at Fairview Sunday.

Mrs. J. R. Evans and son, J. R., are visiting with her mother-in-law, Mrs. M. F. Evans.

Dinner guests in the J. W. Wesley home Sunday were Lavinia Amerson, Florene Evans, the E. W. Schaeffer family, Mr. and Mrs. Fred Hext and Rev. Lloyd Garrison.

Mrs. S. F. Sharpes is on the sick list.

The Centerview Club will meet Friday afternoon in the home of Mrs. E. W. Schaeffer instead of with Mrs. Serena Bryant.

The young folks from here will take a BYPU program to Salem next Sunday night to start at 9:30 o'clock.

Miss Evelyn Schaffer and Miss Vesta Amerson and Troy Wayne Sharpes were baptized Sunday afternoon into the Baptist Church. Charles and Ervin Wilson were baptized into the Methodist Church. Rev. Menefee acted as minister for Charles and Ervin; and Rev. Garrison for the Baptist Church. The service was at the Curtis McGehee tank.

We are sorry to learn of the death of W. A. Williams. He resided in Amarillo.

The club party in the home of Mr. and Mrs. Dell Zachry was well attended Friday afternoon. Refreshments were served by the hostesses, Mrs. G. E. Wesley, Mrs. Edgar Washburn, Mrs. Fred Magness, and Mrs. Dell Zachry consisting of fruit punch, fruit salad, and cookies.

Help Keep Canyon Clean!

## Washington News

By Congressman Eugene Worley  
From time to time it has been requested that word from Washington on various matters of current interest might be of aid to the people whom it is my honor to represent. It will not be possible to maintain a regular column due to the press of work, but I trust the things I do write will be of helpful assistance.

If this column appears in your local paper thanks are due the editor.

Farm labor is scarce and in an effort to secure more help for the farmers in making crops I asked the War Department if it was not possible to release men for this work without injuring the war effort. I was officially informed as follows:

"Military personnel are not granted furloughs for the purpose of farm work. However, commanding officers of all posts, camps, stations, divisions, and lower separate units have authority to permit soldiers to engage in farm work in nearby communities during normal off-duty periods or to grant passes for this purpose if, in the opinion of the commander concerned, an emergency exists in a nearby farm community due to the shortage of available farm labor; the soldier concerned desires permission or a pass; such action will not interfere with the customary employment and regular engagement in farm work of local civilians, will not interfere seriously with training, and no expense to the Government is involved. Pay for service rendered by the individual and all other conditions of his employment are left to the determination of the individual soldier and his farm employer so far as the Army is concerned."

Farmers in need of help in harvesting crops are asked to refer the matter to their County Agent who is authorized to give them the best available information about securing needed workers. Some localities have established regular headquarters where those seeking agriculture work and farmers needing help may register. In any case your County Agent will know the best course of action.

## Ex-Student Active In Women's Club

Mrs. R. L. Campbell of Wildorado, ex-student of W. T., the wife of an ex-student of W. T. and the mother of Byron and Frances Elizabeth, both graduates of W. T., has been endorsed as vice-president for District I of the Texas Home Demonstration Association. The election

## War Work of a Santa Fe Wheat Car

This statement explains why many Santa Fe box cars, built to move wheat during harvest season, are many miles away doing other war jobs.

★ This year an estimated 75,000,000 bushels of wheat must be moved by the Santa Fe from the wheat states it serves.

It will take about 50,000 carloads to handle Santa Fe's big share of this vital job!

To move wheat and other grains, Santa Fe has specially built weatherproof box cars—but today, many of these cars are far from the wheat belt. Where are they? What are they doing? The map above will give you an idea—it shows the movement of a wheat car for the past four months.

### A Wheat Car Gets Around

Starting at Hutchinson, Kansas, with a load of flour for Boston, this wheat car has been kept rolling with vital war cargoes, including Army shoes, Army clothing, aluminum, lumber, machinery, and has just delivered a warload at San Francisco . . . far from

the wheat belt where it is needed now! In four months this car has covered 1,439 miles on Santa Fe rails, and 9,749 miles on the other railroads. No rest for a war worker these days, but a fellow sure gets around!

### Every Car in Action

Every Santa Fe box car, as well as box cars of all other railroads, is in action today. Some of these cars are too far away to be able to return to the wheat belt in time for use.

But guided by the wise direction of the Association of American Railroads, the Office of Defense Transportation, and the Interstate Commerce Commission's Bureau of Service, plus the friendly cooperation of the Army and Navy and war freight shippers, Santa Fe is making every effort to secure as many cars as can be spared from war movements to handle this year's wheat harvest.

## I GIVE YOU TEXAS

by  
BOYCE HOUSE

Millions for defense but not one cent for tribute.—Chas. C. Pinckney.

Old joke contest entry: "She asked me to buy her something for her neck—so I gave her a cake of soap."

Can you remember when you used to go shopping, as a boy, with a nickel and wouldn't buy the kind of candy that was only three pieces for a penny because that was too expensive?

More recollections of Los Angeles: A touch of the old West: a vivid painting in the lobby of the luxurious Biltmore, of an abandoned Wells-Fargo stagecoach station.

A sign, "Beads, re-string 15 cents,"—and mighty reasonable, don't you think?

"Guides" whose place of business consisted of a small sign set out on the sidewalk; they would show you "the homes of the stars" for a fee, the trip to be made in your car.

A tall building in grayish black with gold splashes along the edges—a temple to the great god, Petroleum—(or, to speak more prosaically, an edifice erected by a big oil company).

Through the traffic noises: the street car gongs, the automobile horns, the shuffling feet, there broke a remark, "Once, when I was on Beale Street"—and the speaker and his companion moved beyond ear-shot while the mind of the listener flashed back to old Memphis for I, too, had been on picturesque Beale Street.

A touch of Texas: a big mesquite in Pershing Square in the center of the business district.

How did you learn your ABC's? I learned them from a little rocking chair that my parents gave me—the letters were printed on the chair and the last character was "&" which I learned as "and so forth." It took considerable effort later on the part of the teacher of the chart-class to remove the impression that "and so forth" was part of the alphabet.

And did you hear about the fellow who was so dumb he thought a football coach had four wheels?

### What to Write to Boys in the Service, From Recent Survey

The Office of War Information offers these pointers for homefolks writing to soldiers, sailors, and marines—based on suggestions gathered in a survey among servicemen at home and overseas, in cooperation with the Special Service Division of the Army Service Forces:

#### TELL HIM:

1. How the family is doing everything possible to help in the war.
2. How anxious the family is for the boy's return.
3. How well and busy the family is. Give details.
4. How the family is getting along financially.

5. What's doing in the community: news about girls (single) he knows, doings of friends, who's marrying whom, exploits of the home team and other sports events, social doings, effects of the war on the home town. Reminisce a little about past events and places the boy used to visit. Enclose clippings from the home-town paper.

#### DON'T TELL HIM:

1. Your troubles. He has troubles of his own.
2. Your complaints. He can't do anything about them.
3. About things you are deprived of. He can't supply them.
4. Doleful predictions about the future. He's fighting for that future—now.
5. Unnecessary details about financial troubles. If there are things he should know about family finances, and he is in a position to do something about the situation, tell him. But don't string it out.

Four marines were playing bridge in a hut on Wake Island. Suddenly another leatherneck burst into the room and shouted: "The Japs are landing a force of about 200 men on the beach!"

The four bridge playing marines looked at one another. Finally one said: "I'll go, I'm dummy this hand."

## OPENING

I have opened the Good Gulf Service Station on Highway 86 at 3rd Ave.

I shall greatly appreciate your business.

Open Afternoons and Evenings

J. O. LOWE, Jr.

## Garden Leaves

MRS. J. A. HILL  
President Canyon Garden Club

This is certainly a queer June month with more wind than we had in March—cold enough most every day for a wrap and dry. But with all that, it is preferable to the heat down state and the twisters, floods, wash outs, and rain outs.

As has been said before, not so many flowers are growing here as usual but we are taking better care of our shrubbery. Dr. Brown's place is a study in green. The shrubs should be fed about three times a year and watered systematically and thoroughly. Watch for the red spider. "An ounce of prevention is worth a pound of cure."

The larkspurs are the prettiest flowers in town just now. Their blue, blue color is heavenly and its composition is one of nature's secrets. It cannot be duplicated.

Thinning time is here. Beets should be thinned when the roots are about the size of a marble and cooked with the tops which are best for that purpose at this stage. Carrots are most delicious when about the size of your finger and eaten with the skins on. They should be thinned out when the roots are about that size. It is rather difficult to get cucumber vines to mature, so it is well to leave several plants in a hill until they are good sized before pulling up any of them.

Radishes have such a delightful "tangy" taste that it is a pity their season is so short. Does someone know a recipe for taking care of them for winter? If you want the radishes to grow large, it is best to thin them out when the plants are small. The radishes will not be symmetrical if allowed to crowd each other. There are several varieties, of course. One kind can be planted in the fall for winter use.

The Master Gardener recommends so many things to control insects and other plant pests, most all of which are injurious to the human body. Wise cooks should know what kind of wash to give to counteract each kind of poison. For arsenic poisoning, add vinegar for acid to the washing water. Plants upon which fluorine substances have been used should be cleaned with an alkaline solution.

The college president's old home is flanked with thrifty victory gardens. Two in front and two or three in the back. Mr. Milner and Mr. Cook who are working the front ones might be called master gardeners. The beautiful vegetables are much prettier than the dandelion lawn which formerly occupied the space.

Shakespeare says "Sweet flowers are slow, and the weeds make haste." Isn't that true? A gardener has to almost live with a hoe at hand but the fruits of his labors are recompense in full measure.

### Missionary Heard By Large Crowd

Miss Blanche Groves of China was heard by a large crowd at the Baptist Church in Canyon Sunday night. She told of many harrowing experiences through which she and other missionaries had passed along with millions of Chinese, and her testimony regarding the faithfulness of the Chinese Christians under the direst of Japanese persecution was a tribute to the worth of mission work in the Orient.

Miss Groves came home on the Gripsholm last year and says she will go back as soon as there is a small opening in the door to China where she has labored for the past twenty-two years.

After her talk, the plates were passed for an offering for Chinese and world relief, and the total given was \$211.16, which will be administered through the agencies at the disposal of the Foreign Mission Board of the Southern Baptist Convention which in recent years has given about a million dollars for relief.

## News In Canyon 25 Years Ago

(Taken from the files of the Randall County News of June 6, 1918)

L. F. Shetty was chosen professor of History in the normal. He has been superintendent of the Wellington schools. Other new faculty members selected were: John T. Bucholz and Miss Adaline White.

R. L. Marquis will leave the normal at the end of the summer session to accept a position in the Denton normal.

A. J. Arnold, manager of the Canyon Power Co., has accepted a position in Amarillo and will move soon. June 28 has been named "Pledge the President" day. Sale of War Savings Stamps will be featured on that day.

John Vetesk and family moved here from Pennsylvania to be associated with his brother, Jim, in the meat market.

Cass Brooks fell 7 feet from his windmill tower, striking a barbed wire fence. He was badly cut and bruised. He lives near Wayside.

The following were made in the local Red Cross sewing room during May: 240 bedshirts; 35 pajama suits; 520 many-tail bandages; 1480 triangle bandages; 40 sweaters; 84 pairs of socks; 8 pair wristlets; 4 helmets; 3 mufflers.

June 13, 1918

Clayton Gamel, son of Mrs. Katherine Hutson, died in London of pneumonia. He has been in France observing action in the war and was on his way home.

Four men are called for the army and will go to A. & M. College for a mechanical course. They are: Jesse W. Taylor, Henry Holt Jackson, Joseph O. Trowbridge, and Charles Taylor.

J. Wesley Kleinschmidt and Wilson Campbell will be sent to Austin for an auto mechanics course.

A quota of \$78,000 in War Savings Stamps has been set for June 28 in Randall county.

Women in Texas will register between June 27 and July 12 in order to vote in the July primary.

Stubbs was feeling his way to the kitchen stove in the dark, when he fell over the coal scuttle. "Oh, John," called Mrs. Stubbs, sweetly, "I know what you need. You should get what they have on all the battleships."

"What's that?" growled Stubbs, rubbing his shin.

"Why, a range-finder."

Mr. Speaker, I smell a rat. I see him floating in the air. But mark me, sir, I will nip him in the bud.

—Boyle Roche.

## Have You Met John Doe?

You should know John Doe. He's a very fine fellow who lives right in your neighborhood. He probably goes to your church, his children go to school with your children. Mrs. Doe is active in the P.T.A. and other civic groups, little Johnnie is a Boy Scout and sister Sue is "twice as cute as Shirley Temple."

All in all the Doe family is typically American—nice folks to know. And the Does are typical, too, of hundreds whose efforts combine to render the public services offered by the Southwestern Public Service Company.

John is a composite linesman, engineer, electrician, trouble-shooter, executive or lighting expert. But whatever his particular job he has only one main purpose—that is to give you the finest, most dependable electrical service money can buy at the lowest possible cost. His hours are not long, but he is ready to serve you 24 hours a day if necessary, so that even in emergencies you may take for granted the miracle of convenience that is electricity.

Southwestern  
**PUBLIC SERVICE**  
Company

## V-NEWS

From Randall County Mome Economists

In continuation of our study of efficient wartime buying let us consider what you need to know about how much to buy at one time and when to buy.

To buy efficiently you need to know the number of units and the size of units to buy at one time. Shall you buy a No. 2, 2½ or 10 size can of peas? Find out the difference in cost per standard unit when goods are sold in different sizes. For example, how much does a pound of peas cost when purchased in a No. 2 can as compared with a No. 2½ can? The larger can isn't always cheaper. Find out the difference in cost per unit when one or more is purchased at one time. Know how much you can use at one time without waste. It is poor buying if you buy a large can of peas even though they cost less per pound, if you throw some away because you did not have the right kind of storage and because your family got tired of them. Certainly the number of ration points required to make the purchase always comes in for consideration, too.

You need to find out what time of the season, the week or the day is the best time to buy in order to save time, energy, and money. You should, as far as possible, buy most when goods are in season in your local community. Some stores have special goods available on certain days. You are more likely to get fresh goods or what you want if you shop on these days.

### Umbarger Items

Mr. and Mrs. Vince Skypala and son, Elwood, visited in the Paul Artho home Friday.

Florence Grabber returned Sunday from a three weeks vacation in St. Francis.

Mr. and Mrs. G. Holting and family visited in the George Brockman home Sunday.

Leona Grabber spent the day with Mary Lindemann Sunday.

Pauline Bracht is in Wichita Falls visiting her grandmother.

Mr. and Mrs. James Lankford and family of Amarillo visited in the A. J. Lindemann home Sunday.

Pfc. Edward D. Higgins visited relatives in Umbarger Sunday.

## LEAGUERS ENTERTAINED IN WENDELKIN HOME

The Waltham Leaguers of Trinity Lutheran Church in Amarillo gathered Sunday afternoon in the home of Mrs. Pauline Wendelkin for the regular monthly social and business meeting. Games of soft ball, volleyball and horse shoes were the afternoon's entertainment. The business meeting followed the lovely buffet supper which was served to Misses Betty Flak, Dorothy and Esther Netzel, Louise Stal, Helen Kesaten, Hardine Rogee, and Lt. Hansen of Amarillo; Wilma Schuette, Betty Miller, Phyllis Albers, and Betty Schuette of Canyon; Bruce, Alan, Marvin and Cpl. Vance Albers, Alvin Kuhlman, Wilbert Wendelken, Oscar Schuette, Lawrence Boehning of Canyon, and Paul Richardson, Pvt. Sinclair, Pvt. Prude, Sgt. Roberts and to Rev. and Mrs. M. Hartenberger of Amarillo.

Sam H. Hill and J. L. Hefner were in Hereford on business Friday.

## ROSE WALKER CIRCLE MEETING TUESDAY

The Rose Walker Circle met Tuesday afternoon with Mrs. Chas. H. Stratton. The opening song, "Bringing in the Sheaves" was sung by the group. Mrs. Minnie Laughery read the devotional and scripture. Prayers were given by Mrs. J. D. Key and Mrs. Jessie Reid. Mrs. Reid also led the lesson study. Mrs. R. C. Hillier, a visitor for the afternoon sang "Others." We are glad to announce Mrs. Hillier will teach our mission study book the second Tuesday in July at a covered dish luncheon at the C. O. Cooper home.

Homemade ice cream was served to Mesdames Jessie Reid, Emma Dodson, J. C. Dowd, J. D. Key, Minnie Laughery, I. M. Steen, W. A. Black, T. W. Langston, L. C. Ruthard, C. O. Cooper, T. T. Fain, Cynthia Anderson, R. C. Hillier, and the hostess.

## EDGETOWN H. D. CLUB MET FRIDAY

The Edgetown H. D. Club met in the home of Mrs. W. I. Wester Friday afternoon at 2:30 o'clock.

Miss Frances Wilroy gave a demonstration on cleaning clothes. Much of the care of clothes must be done by the home forces, so safe methods of cleaning them were discussed. The ladies concluded that a good bleach which does not harm garments is Javelle water. We must select clothes which can be practically cleaned at home. Also, woollens must be cared for by sunning often and protected from moth damage.

Strawberry ice cream and cookies were served to visitors, Mrs. Mary Burtz, Mrs. Mildred Fewell, Mrs. G. G. Miller, Mrs. Arthur Patterson of Amarillo, Mrs. Thessa Patterson of California, and Miss Mildred Solomon; new members, Mrs. E. C. Penick, Mrs. Will Myers, Mrs. Emma Dodson, and Mrs. A. B. Russell; and regular members, Miss Mabel Solomon, Mrs. O. M. Solomon, Mrs. R. M. Gibbs, Mrs. T. T. Fain, Mrs. P. L. Walters, Mrs. E. B. Anthony, Mrs. W. T. Davis, Mrs. W. L. Rice, Miss Wilroy, and Mrs. Wester.

The next meeting will be June 25 with Mrs. Walters at 2:30 o'clock on Family Recreation.

## UMBARGER 4-H GIRLS MET THURSDAY

Miss Frances Wilroy met with the Umbarger 4-H club girls Thursday, June 10 at the parish hall.

She gave a drill on parliamentary procedure. Each girl learned how to maintain the manner correctly.

Miss Wilroy gave a demonstration on canning fruits and tomatoes. The wash bath is preferred. Pack the fruit in container raw, cover with syrup to one inch of the top of the jar. Put the jar in warm water in the water bath bath. The water should be about 2 inches below the rim of the jar. Leave the lid off the jars; over the water bath kettle. Steam the fruit five to eight minutes or until the fruit is very hot. Remove jars from canner and seal. Return to cooker and cover with boiling water. Then let them cook 30 minutes.

Those present were Helen and Martha Hoffman, Alice Irbeck, Theresa Ann Beckman, Ormaline Brockman, Ann Hollenstein, Lucy Ann Skarke and Teresa and Leona Grabber.

The next meeting will be the second Thursday of July which is the 8th of July.

## MRS. ANTHONY HAS CIRCLE MEETING

The Rose Walker Circle met with Mrs. E. B. Anthony Tuesday afternoon.

After an opening prayer and song, Mrs. Minnie Laughery led the devotional. Mrs. Emma Dodson offered a prayer.

At the following business meeting, the group studied articles in the Baptist Standard. Previously, each member had been asked to prepare a dish towel for the Baptist hospital at Abilene.

Those attending were Mesdames C. H. Stratton, I. M. Steen, W. A. Black, J. T. Burnett, Jessie Reid, Emma Dodson, T. T. Fain, J. D. Key, Minnie Laughery, J. C. Dowd, C. O. Cooper, the hostess Mrs. Anthony, and a visitor, Mrs. Fred Standley.

The next meeting will be Tuesday with Mrs. C. H. Stratton.

## PARK H. D. CLUB WITH MRS. WINTERS

The Park H. D. Club met with Mrs. Flynn Winters Thursday, June 3, at 3 o'clock.

A round table discussion on cleaning was held with the general conclusion that the best cleaning is by washing with a mild soap and cool water on most any materials.

Refreshments were served to Mesdames G. A. Colling, C. W. Winesinger, Mary Simon, J. L. Raymond, Herriek Simon, O. E. Shearer, J. A. King, Flynn Winters, Leonard Winters, Elmer Winters, Walter Simon, and guests, Mrs. Cooper, Mrs. Tony Simon, Mrs. Paul Sullivan, Mrs. Clarence Winters, and Mrs. B. F. Hallmark.

The club will meet June 16 in Ellwood Park with Mesdames Mary and Walter Simon.

## CAPT. AND MRS. R. A. NEBLETT ARE HONORED

In honor of Captain and Mrs. R. A. Neblett, Mrs. Guy Harp and Mrs. J. Wesley Kleinschmidt entertained the Friday Afternoon Bridge Club members and their husbands, Tuesday evening in the home of Mrs. Kleinschmidt.

After an evening of playing games, refreshments of sandwiches, potato chips, olives, a dessert, and iced tea were served to Capt. and Mrs. Neblett, Mr. and Mrs. C. H. Jarrett, Mr. and Mrs. W. C. Black, Mr. and Mrs. Clarence Thompson, Mrs. Tom Knighton, Mrs. W. L. Smith, Clyde W. Warwick, Mr. and Mrs. Harp, and Mr. and Mrs. Kleinschmidt.

Mrs. Clyde Warwick and her brother, Ben Winkelman of Amarillo, will return tomorrow from Florence, Alabama, where they spent a few days at the parental J. E. Winkelman home.

## KINGS DAUGHTERS WITH MRS. R. T. BOWMAN

The Kings Daughters Sunday School class, taught by Mrs. R. T. Bowman of the Baptist Church, was hostess to the elderly ladies of the Church, Thursday, June 10 in an all day meeting at the church.

The meeting opened with group singing and prayer. Mrs. W. H. Harden gave the devotional. Mrs. John Davis gave the history of the class from the days they used to meet in the court house, before Canyon had churches. She also gave a memorial of the deceased of the class.

Flowers were presented to the oldest ladies present: Mrs. L. G. Conner, Mrs. J. M. Steen, and Mrs. B. F. Fronabarger.

Mrs. T. W. Langston and Mrs. J. W. McCrerey gave reading and Mrs. W. H. Clower sang a solo.

A covered dish luncheon was served at noon.

Those attending the occasion were: Mrs. C. C. Collins, Mrs. R. H. Long, Mrs. G. C. Cole, Mrs. A. B. Russell, Mrs. W. E. Laughery, Mrs. Sara Peters, Mrs. Minnie Bullard, Mrs. Emma Dodson, Mrs. Jessie Reid, Mrs. Addie Hefner, Mrs. R. T. Bowman, Mrs. T. T. Fain, Mrs. G. B. Combs, Mrs. H. W. Crain, Mrs. J. C. Dowd, Mrs. I. M. Steen, Mrs. Cynthia Anderson, Mrs. C. E. Brasher, Mrs. C. H. Stratton, Mrs. Ruth Costley, Mrs. Mary Burtz, Mrs. Emma Charles, Mrs. John Davis, Mrs. W. J. Hinkle, Mrs. G. B. Bourland, Mrs. J. H. MacMurray, Mrs. W. H. Harden, Mrs. J. D. Key, Mrs. R. A. Henderson, Mrs. John S. Humphreys, Mrs. A. K. Goodman, Mrs. Grace McCrerey, Mrs. O. O. Baker, Mrs. T. M. Langston, Mrs. W. H. Clower, Mrs. W. T. Davis, Mrs. D. Terry, Mrs. Holcomb, Mrs. S. H. Jones, Mrs. E. B. Anthony, Mrs. C. O. Cooper, Mrs. Broughton Harden, Mrs. Grandma Steen, and Mrs. L. G. Conner.

## FREDERICK SPISER HONOR GUEST AT DINNER

Mr. and Mrs. E. J. Bauer entertained Sunday with a buffet luncheon in honor of Frederick Spiser.

Guests at this occasion were Mr. and Mrs. Ray Stockett and son of Tulsa, Mr. and Mrs. Dudley Smith and daughter of Channing, Mr. and Mrs. E. B. Harvey of Dumas, Mr. and Mrs. Jack Glenn and son of Canyon, Mr. and Mrs. C. W. Bauer and family, Mr. and Mrs. I. L. Bauer and family, Mr. and Mrs. L. F. Spiser and family, Mr. and Mrs. Finis Brazil and sons, J. J. Bauer, Alva Wise, Mrs. Elrado Hanks, Mrs. Lena Tucek, Edna Jean Ray of Wayside, Luella Spiser of Amarillo, Carrie, Thelma, and Junior Bauer, Lewis Tucek, Denver Lee Chambers, Dora Tucek, Gwendolyn Phillips, and Margaret Tate all of Canyon, Cpl. Rufus Boaz of Amarillo Field, the honoree, Frederick Spiser and the host and hostess, Mr. and Mrs. E. J. Bauer.

Mr. and Mrs. Fred Bauer entertained with a luncheon Tuesday, June 8 in honor of their nephew, Frederick Spiser, U. S. N. R., who has been visiting here the past two weeks.

A U. S. Flag, sailors dressed in blue and white and glass ships placed on mirrors served as a centerpiece. Blue and white flowers on either end of the table completed the setting. Blue and white cut flowers carried out the color theme throughout the house.

Frederick was seated at the head of the table and the other seat of honor going to Mrs. C. W. Bauer whose birthday was also being observed.

Others seated included Mr. and Mrs. L. F. Spiser and Arthur Spiser, Leonard Bauer, Mabel and Lula Spiser, Leona Bauer and the host and hostess Mr. and Mrs. Fred Bauer.

## FORT WORTH GIRL WILL MARRY SOON

Miss Mary Helen Wilson, daughter of Mr. and Mrs. Richard L. Wilson of Fort Worth, and Dr. Hal Snyder, son of Mr. and Mrs. Harry Snyder also of Fort Worth, will be married some time this month, according to announcement made by her parents.

Miss Wilson is the niece of Mrs. Myrtle Ledlow, and Mrs. Wayne Lockwood, and a cousin of Mrs. E. E. O'Donald.

According to Mr. and Mrs. T. M. Thurmon, their son, Staff Sergeant F. C. Thurmon has arrived safely somewhere in England. In his last letter, he wrote, "England's O. K., but I prefer the U. S. A." He also confirmed that he has met up with some of his former pals and schoolmates.

Mrs. Evelyn Rusk, Earl Rusk and Tinsy Rusk have been visiting their mother, Mrs. Jessie Rusk, for the past three weeks. They returned yesterday to Torrance, Calif. Margaret Rusk went back with them. She has been employed at Taylor & Sons for the past nine months.

Mrs. F. H. Glazener, Jr., and Carolyn Ann, left Friday for Ryan, Texas, where her husband is stationed. Mrs. Glazener has been making her home with her parents, Mr. and Mrs. T. M. Thurmon.

Mr. and Mrs. James L. Hill from Wichita, Kansas is here visiting his sister and family, Mr. and Mrs. Burney Slack.

Miss Della Thornton of Isabel, Kansas, left Monday after a two weeks visit with Mr. and Mrs. Lester Smith. Miss Thornton is a niece of Mr. Smith.

## Graduation For Bible School to Be Held Friday

Graduation exercises for Community Vacation Bible School will be held at the Methodist church on Friday evening at 7:30.

Parents are urged to come and bring their children to this exercise. A program will be presented in which all the children who have attended the Bible School will participate and Bible School certificates will be given to those who attended a major part of the school.

Everyone is invited to attend this service and help honor the children who have attended these services so faithfully.

## EPISCOPAL CHURCH

Sunday morning at 11 o'clock, Rev. W. R. Scott will conduct a service of fellowship and Holy Communion at the Episcopal Church here.

Mrs. Lilly Wafford extends everyone a cordial invitation to be with them in this service.

Mr. and Mrs. Happy McAtee and Dora Jean, Cpl. and Mrs. Earl Brooks, Jr., went to Westbrook Sunday to visit Mr. and Mrs. Ed Brooks, and Mr. and Mrs. E. M. Brooks.

Misses Billie Bee Flesher and Natilie Flesher are home from their schools to spend the summer at the parental C. R. Flesher home. Miss Mary Ann Baird of Hereford is visiting them this week.

Mrs. L. H. Anderson and Elva Jean of Pampa, and Mrs. Sue Reagan, Earlene and Lawrence of Perryton were Sunday visitors in the A. B. Holt and O. I. Smith homes Sunday.

## Young People Meet at Ceta Glen

Rev. Joe Findley, pastor of the Christian Church, is at Ceta Glen this week attending a meeting of young people of the Christian Churches of the Panhandle area.

Misses Ellen Root and Barbara Michael are delegates from the local Christian Church.

Mr. and Mrs. Harry Webber and son of Floydada spent yesterday here. He was formerly in the local Southwestern Public Service Co. office in Canyon, and now manager at Floydada.

Ed Gibson of Childress and son, Pvt. Chas. Gibson, are visiting at the Roy Wall home.

Help Keep Canyon Clean!

## HILL TALE

Our ranking favorite among hill-billy yarns has to do with Rafe Johnson, a hill-dweller who had just become the not-too-proud father of his twelfth child.

The new arrival was placed in the battered cradle which had served faithfully the eleven preceding offspring.

"Rafe," said the wife, "looks as tho' we gotta get us a new cradle. This'n hain't got no rockers left and the slats is half gone."

"Looks at tho'," drawled Rafe. "Here's two dollars. But this time, Mirandee, get one that'll last."

Ed Gibson of Childress and son, Pvt. Chas. Gibson, are visiting at the Roy Wall home.

## Wayside Items

Rev. J. M. Menafee filled his regular appointment Sunday. There were three additions to the Methodist Church and five to the Baptist.

The Vacation Bible School has finished the course and had a very successful week's work.

Mrs. Henrietta Johnston is visiting in the home of her brother, Lem Fisher and family. She has been in New York where she has two daughters.

Mrs. Bessie Lane visited with her sisters in Canyon last week.

Mrs. Lem Fisher has as her guests this week a cousin, Miss Mildred Elgisti of Milford, Neb., and her friend, Miss Lillian Swanson, Duluth, Mich. Miss Elgisti is a returned missionary from Africa.

W. R. Franklin and family, Wm. Payne and family of Amarillo, met Sunday in Happy at the M. E. Counterman home with their mother and grandmother, Mrs. Ida Sluder.

Glen Franklin spent last week in Canyon at the home of his brother, Roy and family.

Novlene Byrd is visiting in the Ewing McGehee home.

Mr. and Mrs. Henry Hamblen accompanied by his mother, Mrs. W. H. Hamblen, went to Ft. Worth with a load of hogs and visited with their son and brother, Olf and family, in Dallas where Mrs. Hamblen remained for a longer visit with her son and family.

Mr. and Mrs. Paul Foster have moved to the G. G. Foster farm east

## FOR SALE

## OUR DEMOCRACY

by Mat

### TEAMWORK IS NEEDED.

OUR FOREFATHERS WERE OFTEN ATTACKED FROM ALL SIDES. TEAMWORK—USING ALL THEIR RESOURCES FOR THE COMMON EFFORT—WAS NEEDED TO WIN THE FIGHT, JUST AS IT IS TODAY.

WE ARE NOW FIGHTING ON ALL SIDES—FIGHTING TWO MAJOR WARS. WE ARE USING ALL OUR RESOURCES FOR THE COMMON EFFORT IN A MODERN WAY—PUTTING OUR MONEY TO WORK FOR OUR COUNTRY THROUGH WAR BONDS, SAVINGS ACCOUNTS, LIFE INSURANCE, TAXES, — SHARING OUR SCARCE GOODS THROUGH RATIONING.

**UNITED EFFORT IS OUR STRENGTH.**

of Wayside. They were lately married in Sudan, N. M. where Paul taught school last winter.

Mrs. John Morgan and little daughter visited in the parental Brown Byrd home last week.

Mr. and Mrs. W. R. Franklin celebrated their 32nd wedding anniversary Monday, Flag Day.

Mrs. Joyce Lane spent the week end with home folks.

Mrs. Woodrow Malone of Amarillo visited over Sunday with relatives.

Grandma Moore is visiting in the home of her daughter, Mr. and Mrs. Henry Shipman.

Mr. and Mrs. Boyce Colwell and Mary Frances were Amarillo callers Monday.

Betty Sue Colwell and her little sister spent Monday with their grandparents, Mr. and Mrs. Henry Shipman.

Mrs. Paul Foster and Jack Foster celebrated their birthdays in the Jack Foster home Sunday.

**IN AMARILLO HOSPITALS**

The following from Canyon are under treatment in Amarillo hospitals:

Mrs. W. D. Muncy, medical.  
Mrs. C. B. Croson, Medical.

S. B. Orton has returned from Dallas where he visited in the home of his son, Lieut. and Mrs. Robert Orton.

Mr. and Mrs. Marvin Miller and daughter of Lubbock spent Sunday in the home of his mother, Mrs. W. M. Miller.

## Two Homes Are Entered Tuesday Night; Money Gone

C. P. Shelnutt lost about \$80 Tuesday night when some one entered his home, took the money from his billfold and buttoned it up again in his shirt pocket. His knife was taken from his trousers. Geo. Melton's billfold was taken from his home. There was no money in the billfold, but it contained valuable papers which Mr. Melton needs.

Miss Wynema Robbins is spending the summer in Lincoln, Neb., at the home of her sister, Mrs. W. B. Walker.

Mr. and Mrs. Edward Pilley and Ed. Jr. of Littlefield, and Marvin Pilley of Amarillo visited with K. E. Frieze Sunday.

Mr. and Mrs. Bryan Cammack of Munday visited with Mr. and Mrs. W. A. Warren and Miss Nora McCarty Saturday and Sunday.

John A. Fisher of Dallas is visiting in the home of his daughter, Mrs. W. L. Smith.

Mrs. R. A. Hodges of Tulsa visited Tuesday in the home of her sister, Mrs. T. S. Stevenson.

Silas Hart returned yesterday from a business trip to Canadian.

## Herschel Coffee Discussed War Aims at Rotary Luncheon

Herschel Coffee was the speaker at the Rotary Club luncheon Tuesday noon. He is home from the University of Texas for a few days where he is working on his Ph. D. degree. He was introduced by Levi Cole.

Mr. Coffee stated that he wished to raise controversial questions of the day, in which all are interested.

The war is being fought without objectives. The Axis did not announce a policy before starting the war, and the Allies have only a policy, whip the Axis.

The speaker traced the social revolution which has taken place since the middle of the 19th century. In the United States we have adopted many of the social reforms, but have escaped a form of socialism. Russia is the best example of socialism, and has accomplished much success.

Counter moves started against Socialism under Nazism and Fascism. By the middle of the 1930's we had the New Deal in America. While looked upon by many people as radical, it was not a revolution, and did not scratch the surface as compared with Europe.

War is used to submerge domestic issues, and to rally the people to common causes. The labor situation is the chief problem confronting the people today.

While we are fighting a military war, a truly social revolution is going on in the nation, with the rights of labor as the real problem. There are, 30 to 40 million income earners in the United States. We talk about the American way of life but a drive around Canyon or any other town will convince one that there are many different ways of life right in our own midst.

Mr. Coffee raised the question: After the war are we in for a long period of social turmoil?

Bob Lindsey of Borger was a visitor.

One evening during the last days of "Teddy" Roosevelt's administration—writes the Wall Street Journal—a man, shivering and ragged, knocked at the door of a certain house on K Street, in Washington.

"Please, madam, give me something to eat," he pleaded, when the lady of the house answered the door. "I am suffering severely from exposure."

"You must be more specific," demanded the lady. "Are you a member of the Senate or the House?"

"My ma don't allow me to play with you," said the boy with the freckles. "She says you're a bad boy."

"My ma don't allow me to play with you, neither," retorted the red-headed one. "She says you're the worst boy in the neighborhood."

"Gee! We're both regular fellows, ain't we?"

Visiting Curate: Willie, everything you do is for God or Satan. Think of that, my boy, every time you choose.

Willie: When dad says I can take my choice between a spanking and going to bed without my supper, which side is Satan on?

Sadie: "My father is a big shot in the Army. He has an oak leaf on his shoulder."

Gertie: "That's nothing. My dad's in the Navy and he has Four Roses on his hip."

Doctor: I want to change the death certificate I gave you yesterday.

Coroner: What is wrong?  
Doctor: I put my name in the space marked "Cause of Death."  
—The Crucible.

Plumber (arriving late): "How have you managed?"

Householder: "Not so badly. While we were waiting for you to arrive I taught the children how to swim."

Child of the pure unclouded brow  
And dreaming eyes of wonder,  
Though time be fleet, and I am thou  
Are half a life asunder,  
Thy loving smile will surely hail  
The love-gift of a fairy tale.  
—Lewis Carroll.

A new era is dawning on the world. We are beginning to believe in the religion of usefulness.—R. G. Ingersoll.

## Palo Duro News

Sunday dinner guests in the Geo. Albers home were Mrs. John Albers and Emil Albers and family. Ralph Bragg visited with them in the afternoon.

Miss Gertrude Miller who for more than a year has been employed in Washington, D. C., is spending her vacation with her parents, Mr. and Mrs. Henry Miller.

The little Misses Henrietta and Lucille Jensen of Wildorado spent last week with Miss Betty Schuette.

Mr. and Mrs. Herman Kuhlman called in the Fred Schuette home Tuesday evening of last week.

Mr. and Mrs. Herman Kuhlman and Jimmy visited their son Pvt. Herbert Kuhlman at Sheppard Field Sunday.

The Emil Albers family and Mr. and Mrs. Cas Jennings were guests in the E. A. Michael home Monday evening.

Miss Barbara Gene Michael is attending the Christian Young People encampment at Ceta Glen this week.

Pfc. and Mrs. Harvey Boehning left Saturday to return to Colorado Springs, Colo., where Pfc. Boehning is Stationed.

Cpl. Vance Albers left Wednesday night for California. Cpl. Albers must report to Camp Haan on Friday of this week.

Sunday evening guests in the Henry Miller home were Mrs. Bob Bruce and children of Borger and Martha Miller of Amarillo.

The Emil Albers family and Mr. and Mrs. Geo. Albers spent Wednesday evening in the Gene Root home in Canyon.

Mrs. Roscoe B. Davis is spending this week with her sister, Mrs. H. W. Spear, in Lakeview.

Misses Bobbie and Connie Watts returned today after a week-end visit in Fort Worth.

Miss Nancy Strain is attending the University of Texas where she is taking a course in child welfare.

Mrs. Lemoire Hill and son of Borger are here visiting in the parental J. A. Hill home.

W. J. Wooten and son, Leroy, are in Temple this week.

Mrs. W. C. Kunze is in Kansas City visiting with her brother.

Mrs. Anna Lee Vineyard was in Amarillo Monday on business.

Johnnie, what did you have for breakfast?

"Teacher, I et six eggs."

"Why Johnnie! You should say, 'ate.'"

"Well, maybe it was 'eight' that I et."

ART EDITOR Chick Miller  
GROUP I REPRESENTATIVE Don Hewlett  
GROUP II REPRESENTATIVE Poole Robertson  
FLIGHT REPORTERS—Grant Landfried, Bernard Glogas, Marcus Fuller,  
Gene Wyatt, James Schell, G. D. Salas, George Phillip, Dick Turner.  
SUPERVISING OFFICERS Lt. M. E. Wray, Lt. M. D. Ballard  
350th COLLEGE TRAINING DETACHMENT (Aircrew)  
WEST TEXAS STATE TEACHERS COLLEGE  
CANYON, TEXAS

As the time for our departure hovers over the not too distant horizon, we, of Flight Three want to thank all those persons who helped make our stay in Canyon so pleasant.

Thanks to the citizens of Canyon. We sincerely appreciated your hospitality. When you're a long, long way from home your morale is given a mighty helpful boost when a person makes you feel at home.

Thanks, too, to the faculty of West Texas State College. Our future as pilots may depend on what we learned here, we know that the instructors often went out of their way to assist us. Nor have we forgotten the benefits we received as a result of the coaches' efforts.

And thanks finally, to the commissioned and non-commissioned officers who weren't the hard-boiled characters we sometimes hear about. Our officers are men who know men, and that's the simple story of their success. A soldier doesn't mind putting forth his best for officers like these. Only through their diligent efforts could we have had such a fine set-up, and we're fully aware of it. Sirs, you have our congratulations as well as our gratitude.

## Just Dirt

## Buffalo Courts Quartet Beats It Out

From the upper floor of the day room in Buffalo Courts Day Room have come the melodic strains of the "Hep Cat Quartet."

Here's the way it started. Jimmy Wells played the piano one evening, while several of the fellows gathered about to listen and sing. Soon afterward, David Webb entered the scene with his trumpet in hand and began to rhyme in with the piano. Then, arrived an arm full of pails and buckets with David Waite, who commenced to add his so called drums to the melody. A week ago, "Zeke" Steinmetz received his clarinet from home, and now there is a quartet.

The boys have been practicing lately, and there are hopes that some day an increase will be shown in the number of players in the quartet so that a good orchestra can be formed.

## Coke and Candy Consumption Huge

It must be pretty hot around the detachment, because Robert Conner has been kept busy throughout his duty hours. Robert is the coke-boy at Buffalo Courts Day Room.

Do you have any idea how many cokes are consumed every week at the detachment? Approximately 200 cases or 4800 bottles of cokes are drunk weekly. Since the students have been having their nights free, the number has dropped off slightly, but it is estimated that at least 4000 cokes will continue to be sold weekly.

Also, there have been approximately 5,000 candy bars sold weekly.

## Do You Suffer "Weekenditis?"

There's Only One Cure So Read This and Get the Answer.

Do you wake up on Monday morning wondering how a guy who feels so bad has slept through such inexcusable misery without either waking up or dying during the night? Of course you do!

If, however, Monday was an open post night, do you still think you would feel the same way about it, brother? Of course not, friend, because any way you look at it, the results of "weekenditis" are always the same. Your stomach feels like its throat has been cut; your head throbs in cadence, yet your feet won't pay any attention to the cadence and you wish you could die by the numbers.

This impression of "Blue Monday" is undoubtedly experienced by all of the members of the college training detachments throughout the United States, and it is properly termed "Weekenditis!"

"Weekenditis" is a disease which is 25 per cent physical and 75 per cent mental. Usually, the mental state wins out, and Monday morning at sick call, those victims of "weekenditis" are right on hand seeking treatment for something that just a little will power and a good workout in Physical Training will cure—Student Cadet, Knoxville, Tenn.

## Our Opinion of The Army Air Corps Detachment

Editor's Note: This is to thank the young ladies of the campus who so generously contributed their time in this survey of student opinion for Prop Dust.

We are glad that you are here. For one reason, there weren't many men before and its rather nice to feast our eyes on men again. It keeps us from thinking it is a girls' school.

We have found the most of you courteous and able to converse on varied subjects.

Your being here gives our school publicity that it otherwise might not have had. For selfish reasons, we hope your letters you write home are favorable to our West Texas State.

The men and officers seem to be cooperating splendidly with the officials of the college. We appreciate this.

One thing though, boys, about these dances that are given for you. Some of the girls who go and are really good dancers aren't given a chance to prove it. They are becoming the traditional wall-flowers through no fault of their own. Why?

If a girl smiles and speaks to you—don't think her bold or brazen—friendliness is the tradition of our school.

We miss our swimming pool. Couldn't something be arranged about that? We will cooperate too.

To make this survey really personal we have asked some of the girls on the campus to express their own opinions about you as a whole. We quote some of them for you:

The aviation students, in my opinion, give the campus something it has needed for years.—Thelma Franz.

I think the aircrew students are really all right, and I just hope they have enjoyed being here half as much as we have enjoyed having them.—Jane Cole.

The cadets have it!—personality, character, manners, good dancers, and a number of other qualities. Really like to have them around.—Helen Kehoe.

Good for keeping up civilian morale.—Onieta Whitaker.

We seem to have a hand-picked group—they're tops.—Lee Sullivan.

To see the boys marching to classes with a spirit of determination, and to hear them singing in their groups makes it a definite joy to be on a campus where the Aviation Students are located.—Lillie Stephens.

These boys I've met here are among the swiftest ever. I've enjoyed knowing them very much even the —Yanks.—Georgia Browning.

To see boys in uniform around this campus gives me a feeling that I, too, must do my part in this world crisis.—Ola Faye Crowell.

I think most of the fellows know what I think of them. I think they're all really swell—especially Aviation Student corporals.—Nell White (Veronica).

I think you're rather quiet compared to soldiers at some other camps.—Georgia Osborne.

## Enter R. C. Corbyn

Roland Clive Corbyn arrived in Tulsa with an official flourish seldom granted to a man so young.

He was first presented at 9:57 p. m., May 20 last, at Hillcrest Hospital to his parents, Mrs. Corbyn and Capt. Richard C. Corbyn, commanding officer of the 75th College Training Detachment, AAF, stationed at the University of Tulsa.

Within a matter of hours he was officially awarded a scholarship valued at \$200 in the university for the academic year 1940-41. It was signed by Dr. C. I. Pontius, president.

The certificate reads: "This scholarship is granted in appreciation of services rendered by Capt. Richard C. Corbyn in active combat on the University of Tulsa campus, beginning in 1943.—The Tulsa Collegian.

# "GREMLIN GAB"

## Flight 3

Bernard Glogas

In commemoration of our stay here we offer these words to a familiar tune—(try singing it).

Thanks for the memories  
Of grueling three mile runs  
To help us lick the Huns,  
Of burning lips and burning throats  
And legs that weighed two tons—  
How miserable it was.

Many is the time that we ran it  
And many is the time we stopped  
to rest.  
Oh well, it was (—) while it lasted;  
We didn't have fun  
And plenty harm done.

Oh, thanks for the memories  
Of that monotonous grind  
Of nights we spent confined;  
They might have turned us loose,  
But they never were so kind  
How miserable it was.

Oh, thanks for the memories  
Of waking us so early  
With voices gruff and surly,  
Of scabbed out beds  
And those bone heads  
Whose singing was so burly.  
How miserable it was.

A dummy mummy was BOB BUNTIN in First Aid class. Supposed to be treated for heat prostration, he was wrapped in seven blankets by ED JONES and "SQUIRREL" EVORITT. The situation was quickly remedied by the instructor, who ordered him unwrapped lest he really suffer from heat prostration.

No ordinary voice is that of "The megaphone" known for all official purposes as JAMES B. CALLAGHAN. Several lads have threatened mayhem if something isn't done about the megaphone that talks like a voice. His, are the vocal chords that disturb our sleep and rest each morning and send us forth to another day of blood, sweat, tears, and a little soil, too.

A farewell party was held in Amarillo by Flight 3 last Saturday Eve. The party went along fine until 10:30, the usual time for Lights-out, then suddenly the lads started yawning and rubbing their eyes. Ere midnight the party had completely broken up, and everyone had left, as they were fighting a losing battle against morpheus.

Laughing Boy (little does he know) will have some of the laugh taken out of him. Evidently ill-informed by having read so much fiction, he took the fatal step, and with the permission of the C. O. promised to Love, Honor, Cherish, Obey, and defunct \$22 a month from his pay for the flower of the Panhandle.

Congratulations or condolences—we offer you both, LAUGHING BOY.

Those midnight rides must sure be fun.  
So ole BURT KOONS though he'd take one.

And though his ride was not so far,  
At least he took it in a car."

Silent, unassuming and of small stature is CLAY KEENE—hardly the Don Juan type. Yet our little blonde friend turned out to be a strong and silent man as he entered a restaurant last Saturday Eve. He was greeted by 4—count 'em—4 gorgeous girls, one of whom nearly squeezed the life breath from him, so affectionate was her greeting.

The little man took it all in stride while his "Brother men who flew" almost took a power dive into the floor from surprise.

And so we bid farewell to Canyon and ye olde NYA shop overlooking the shores of Tierra Blanca Creek, as the voice of Megaphone Callaghan resounds from the walls of yonder Canyon.

Ye olde NYA shoppe where GORDON FUQUA spends part of each night cleaning out his "scabbed" bed, and BOB MURRAY walks around the barracks with a malignant glint in his eye as he looks over prospects for a Latrine Detail; where VERN GRAFF runs to hide when a detail is needed while BOB HISEY wets his mop with the sweat of his brow—an JOE HEXT make the writer (BEAU GLO) feel good by laughing at his corny puns, also where everyone asks JOHN GARRARD for a bite of his banana when it's only his nose.

Ah, yes, give me good olde NYA shoppe with CLYDE FUQUA yodeling "Red River Valley" and MONUAL DICHER yelping because someone gave him a hot-foot. Where ED JOHNSON complains because this column's remarks about him are uncomplimentary and reduce his popularity with local belles.

And as the moon comes out to have its rendezvous with the stars beneath the beautiful Texas sky, and the fragrance of new-mown grass drifts in through the windows, the pleasant stupor of sleep overcomes you slowly, when out of the silent night cries out the voice of JIM GILL, "Ye Gads, I've been scabbed out again."

## Flying The Beam

Flight 4

Congratulations to "Red Haid"

Voigt for receiving the best love letter in Flight 4 from his gal back home. Welcome back to Luke Wade and R. E. Smith after a long stay in the hospital.

The happiness of Flight 4 this past week is not caused by our leaving Canyon but the good results made on our check rides.

"Baldy" Parker has a bump on his head from a recent "spin" on his check ride.

Chick "Iron Hand" Taylor has finally decided to put razor blades in his razor when shaving. He must have lost his cat! K. J. Putnam has the secret of staying in condition. He's late for every formation and has to run like the dickens.

The most popular boy with the girls is Wayne Simz. A girl who was asked why just said, "Oh, he's so handsome." Thinking in a little different vein we hear that R. J. Studor has just received a tip. Quote Baldies wise, Synchronize! Unquote. How about that?

We understand that "Pop" Webb is quite an expert on giving with the advice of married life. Is it true, "Pop," that you are going to write a column for Prop Dust along that line?

In the event that you see someone walking along the road saying over and over, "I'm the handsomest man in the Detachment," take no heed. It's just Bill Palmer trying to talk himself into it.

## Wing Tips

From Flight 6

At last, the time for students of flight 6 to start flying has nearly arrived. The one moment we have all been waiting for and looking forward to so long is just around the corner. As the time draws near, each and every student is anxious to get his crack at one of the super-duper jobs which will convince him that he's cut out for a navigator or bombardier instead of a pilot. Probably next week we will have a lot of tall tales about the experiences of the aces created in five days.

Getting back on the beam after an extended visit with his new born son and wife is Jim Weatherford. Yes sir, Jim is one proud father, and all the boys in flight 6 are proud for him. It reminds me of a Chinese poem that goes like this:

1. Nice night	Settle Down
In June	Happy Man
Stars Shine	2.
Big Moon	Another Night
In Park	In June
On Bench	Stars Shine
With Girl	Big Moon
In Clinch	Ain't Happy
Me say	No More
Me Love	Carry Baby
She Dove	Walk Floor
Like Dove	Wife Mad
Me Smart	She Fuss
Me Fast	Me Mad
Never Let	Me Cuss
Chance Pass	3.
Get Hitched	Live One
Me Say	Big Spat
She Say	Nagging Wife
O. K.	Bawling Brat
Wedding Bells	Me Realize
Ring Ring	At last
Honeymoon	Me Too
Everything	Dam Fast.

No one seems to know where Dick White scampered off to early Saturday evening, but late Sunday night he turned up with a knot on his head. The story goes that his mother was in Amarillo visiting him but I'm sure it wasn't she that dealt the wicked blow.

Clifford Schmidt sure knows how to get around the student officers. He'll probably be a lieutenant before long—more power to you Cliff.

It seems that Keith Torney likes to take neck exercises in other places besides physical training. Maybe it's because he likes to take P. T. so well.

Saccamanno has lost all faith in his buddies. These practical jokes don't go over big with "Sac." It sure don't take long, does it?

As the time draws near for our good friends in Flight 3 and 4 to depart, the students of Flight 6 extend them the best luck and wish them continued success wherever they may go.

## Stalling Around

With Grant Landfried  
Flight 5

The Saddle, Bridle and Sod Club of Flight Five held its weekly meeting Saturday at Palo Duro Canyon. The regular members, namely, Claus Juhl, Stanley Kossack, George Matoush, and Terry Lane entertained a guest, Glenn Jorian, who, by the way, was embarrassed no end when the stable hand tried three times to saddle him and rent him to us for 65c an hour.

After a good deal of explaining, we convinced the man that Jorian was a member of the party. He agreed for he admitted that no horse had hoofs to match Glenn's 12 tripple E.

Saddle Horn Juhl and No-Gun Kossack had a good bit of trouble convincing their mounts that they were not supposed to walk on their knees like Jorian's nag had been doing.

"Back-Bounce" Matoush and "Lariat" Lane felt rather bad when their horses refused to go the way

they thought was toward home and got back safely. If horses are dumb animals, what are Lane and Matoush?

If you are interested in joining the club see President Juhl who got his riding experience on a horse and buggy milk wagon in Chicago; Vice-president Terry Lane who learned the hard way about horses cleaning stables in Maine or Secretary Stanley Kossack who got his experience with horses in a government butcher shop.

Lt. Murphy's superior skill in handling the fair sex has won him first place in a field of fine competition, in the estimation of a college belle here. Now the question is, is Murph engaged at home or not? According to his buddies the girl says he is.

If you would like to know how it feels to have the altitude of the body lowered while the contents of the stomach remain at a constant height, ask First Sergeant Richard Lee who flew to Waco, Texas last Saturday in an A. T. 17. It is told that Lee had a good bit of company in his offerings to the four winds. Lee also says he can tell you all about WAAC officers since his trip.

Flight Five signing off, look for me, I'll be waiting for you. Come in and call for Mr. Boris. Roger!

## Blockbusters

Flight 7

It seems quite evident to some people that "religion is finding its place in Flight 7. Every Sunday and frequently more, Papa Gross and Uncle Jennings can be seen with their newly-found flames, burning up the whole vicinity. Now just take last week, Church, B. S. U. and even the evenings between seven and nine. Also what do you suppose Papa Gross expects to do with that 30-06 he has down at his girl's house?

The luminous red glow you can see floating around Stafford Hall after lights out is really not a ghost it is just some of the boys coming from the shower room without their underwear.

Any complicated contraptions found in Kossanovich's room will be a trap. He is trying to trap the Gremlin that is leaving the bath room light on.

Say men, our old buddy, Guy Compton has been in the hospital in Amarillo for some eight weeks, now. He must be getting pretty tired of that bed. Why don't some of you fellows, particularly in Flight 7, drop him a line once in a while? Or better still—go out to the hospital to see him. A letter or a visit would mean a heck of a lot to him and take so little of your time. Come on you guys, give!

You fellows in Flight 7 would never guess the secret that Student Lt. Darby is hiding from you. Or would you? Dan Abbott was a little sleepy Monday morning according to his Physics Prof. Or was it a crick in the neck?

The Most Generous Offer of the Week: Sheldon Greenburg hereby offers to replace anyone, anytime who is not feeling well on the daily detail list.

Personality of the Week: The little man who is always there, Rudolph Henson.

Answer to the Sixty-Four Dollar Question: That wasn't a stranger in class Monday morning—it was Mr. Gilmore!

## Gossifers

Flight Eight

Fellows, how about Flight Eight setting an example for the rest of the detachment? Captain Corbyn has lifted a lot of the restrictions that formerly made everyone unhappy. He has extended the Open Post time, extended the limits, and

## "Love, From Mable"

many other things that all of you know about.

So how about retaliating to his goodness by staying in line? As Smitty would say, "Keep on the ball." When you act as you should, you can expect something in return, but it'll be another story if you get out of line. And don't forget. The punishment won't be all on you, but on the whole detachment, so think twice before you act wrongly.

If Flight Eight follows this step, maybe the others will get in cadence with it.

Enough seriousness for this time. Why is it that James Wells is always so "under the weather" on Mondays? Maybe it's because he just had a ring given back to him, and he's trying to forget the past.

Talking about rings, Eugene Werner is going to place one on that special girl's finger next week end. Engagement, not wedding.

Frank Simpson was out with the librarian last week end. So that's why Simp is always reading a different book every day. The truth will out.

And worst of all, George Tovey saluted an Aggie Saturday.

If Flight Eight isn't the best in marching, it at least offers the most attraction, namely the prancing of Sarg Weldon Smith as he leads his boys to chow.

And personally, this corner thinks the new squadron leader is tops. Why, he even came back and ate with the last element one day.

One last request, please. Take one little bit of news on it, and give same to one little representative. Then you'll have one big column that week. Of course, if anyone offers any news to that representative, he'll probably faint from the shock.

## Switch On

Flight Nine

It's a boy . . . for the Donald C. Barbers, as of Tuesday, June 8th, 0543 o'clock, at the St. Anthony Hospital, Amarillo. Congratulations, Don and "Sis." May you be blessed with a large family, unless you folks have different ideas.

Doc Jarrett says Sis and the little fella are coming along fine. He was afraid for a while that he was going to lose a father, but "Papa"

Barber is recovering rapidly and keeping the tailor busy sewing on all those buttons that are popping off his shirts these days. Danny Eugene is "our" baby's name. The middle name was chosen in honor of Dan's best friend who was killed in an automobile accident recently.

A fish can't get along without gills, and Bill Gill can't seem to get along without his fish, either. He swears that he swallowed a few before being yanked up from the bottom of the pool the other day by Marvin Gromfin and Swim Coach Ralph Davis.

You should have been there. . . To see Student Mann scaling the walls of the Education Building in his inimitable "Bat-Mann" style to whet his appetite, as if it needed any stimulation.

\*\*\* The first and only time "Loole" Durham wore his tropical worsteds. Bet his brother, a navy flier based on the carrier, U. S. S. Lexington, would enjoy hearing that story.

\*\*\* When Bob Evans, giving a required two-minute speech on "Ten Ways to Keep from Growing Old" had us rolling in the aisles.

\*\*\* When our new Commanding Officer, Captain Corbyn, gave the married men their extra privileges, and they changed their theme song to "I Believe in Miracles."

\*\*\* When the rattler took a crack at "Cowboy" Leto's horse during his recent horseback-picnic trip with roommates Letson, Lucas and Mack, and their respective girl friends down into Palo Duro Canyon. Outside of encounters with four vipers, they had a wonderful time.

\*\*\* To hear "Ambassador" Davies imitation of Donald Duck.

\*\*\* To enjoy some of that swell date loaf roomie Atwell's Mom sends him every so often.

It's a good thing you weren't there. . .

\*\*\* The last time Sergeant-Major Kearney got short-shorted.

\*\*\* The evening Jim Mathis told Max McPeck, "My, what pretty blue eyes you have."

\*\*\* The first time Flights Five and Seven lost inter-flight review competition and had to police the area. They're used to it now, though. Some have even considered the vocational possibilities of this experience they're getting.

(Continued on next page)

# Canyon Thanks You!

Greetings are extended to the fine group of officers and men in the 350th College Training Detachment in West Texas State College.

The citizens of Canyon strive to make your stay here pleasant and profitable. All of you are cordially invited to take advantage of the facilities offered by the business firms in Canyon. We wish to be of service to you.

# Canyon Chamber of Commerce

## Physical Tests Show Improvement

Coach Gus Miller, Director of the Physical Training Program, has announced that in general the Aircrew Students have improved as much as fifty per cent in their physical fitness rating, according to the Army Air Forces Physical Fitness Test of June 5, 1943.

The number of students classified as "Excellent" has jumped from 3 to 25, and it has also been noted that among the approximately 315 students taking the test that only one student fell below the "Good" category. Nearly every man in the detachment added at least 10 points to his total score, and on the average each man had gained about five pounds.

The object of the test is to show the student exactly what he can do at the present time, and by the medium of the Physical Fitness Profile he can see exactly how he is improving. The three divisions of the test are sit-ups, pull-ups, and the shuttle-run (300 yards). Coach Miller stated that these tests were very important and upon completion the tests would be sent into headquarters.

Captain O. J. Jacobi, Director of Military Training, states that there is still plenty of room left for improvement, and that each student must learn to apply himself more diligently during the physical training hour. The future of the Aircrew Student will depend to a certain extent upon his physical fitness.

## Wondering at Random

Why can't some of the money in the Detachment Fund be used to buy a phonograph and some good records to be played during mess? Some of the boys could take turn about operating the machine or a schedule of duty could be posted. Not only would the music add to the enjoyment of the meal, aid digestion, and improve eating generally, but it would also cut down on the noise which is so noticeable in the mess hall.

## Change In Hospital Personnel

Sgt. Woodrow W. Livesay and Pfc. Richard E. West, who have been doing such a swell job at the Detachment Infirmary, packed their barracks bags this week and went down to the Medical Detachment at Lubbock.

In their place, Technician 5th Grade, Vincent L. Downs, is to arrive from Miami, Okla. to take over their duties here. A cordial welcome is extended to him from the boys of the Detachment.

BUY MORE WAR BONDS!

## Father's Day

June 20

Remember your Father on this annual day with a beautiful card and gift from **WARWICK'S**.

picking up cigarette butts and candy wrappers.

Congratulations to newly appointed "Honor Man" Downey, Sergeant Cope, and Student Lieutenant Lucas. They'll have the heartiest cooperation their "permanent party" buddies can give them.

## Rudder Dust

Flight 10

Greetings again, from Flight 10 as we leave the ropes at the sounding of the bell for the third time in this fight for more, new, and better gossip, showing the losses and victories in our flight fight for a better all-around bunch of men. Things are happening fast around here with out new C. O. making his many changes, and we appreciate all of them.

### A BAD DREAM

Editor's Note: This is the dream of an air-minded civilian, James Patterson, before enlisting as an Aviation Cadet.

A year or so ago when I read the Air Corps poster that so thrillingly said, "You Too Can Fly!" I began to dream of the glory I could receive as a flyer. Would I start with a P-38 or maybe a B-17? Why be a private in the Infantry when I could be a "serge" man with bars on my shoulders and wings on my breast. Besides, the little print on the poster said if I washed out I could return to civilian life, and still be free to pick the branch of service I preferred. Well, it might not have said exactly that, but I took it that way. . . . My, what a poster. It even stated that I could join "immediately" as a cadet! I could start right away wearing the snappy Cadet uniform; get the best food at all times; receive more insurance than I ever thought about; and best of all, learn to fly the army way in only nine months. Now, that really impressed me—fly the army way in only nine months.

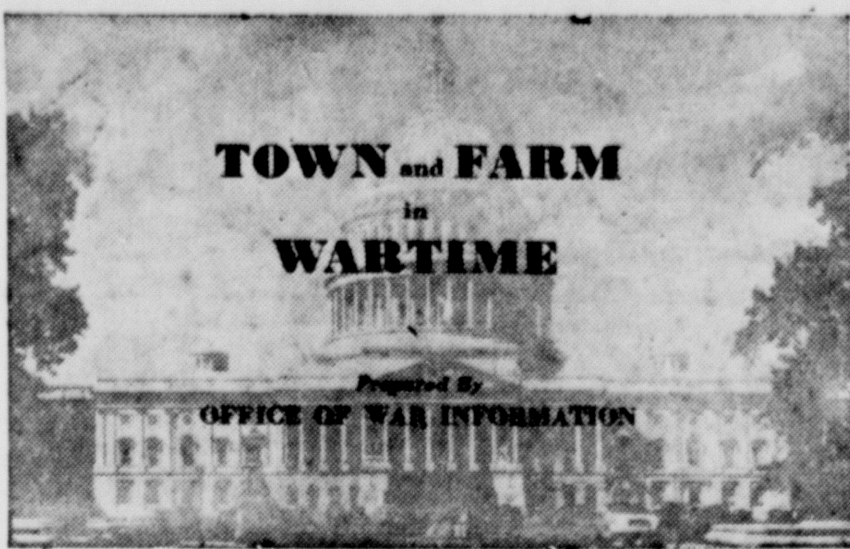

Well, that was the odor that bought the perfume, so I enlisted. When I left the Recruiting Office, I threw back my shoulders and wanted the world to know I was as good as a cadet, and a flyer. Just think, nine months and glory. I would have my silver wings and be saluted by all the little men who weren't as lucky as I.

Yeah, a dream, just an ordinary dream that was shot sky-high on the gorgeous cow pasture at Sheppard Field.

### DRIBBLE OF THE FLIGHT

Now that Captain Corbyn has extended the limits permitting the students to roam about the campus area each night until nine o'clock, many students have been seen roving about with their "lovie doves."

. . . The once famous Akka! General Mueller has finally been hit over the head with something besides a broom handle. Her name is Miss Palmer, blond, cute, and home is Cousins Hall. . . . Then there is Harvey Simmons, who, despite his love for Arkansas, claims that Thelma had better watch her step unless she wants to be kinda tied down for the duration plus six months. . . . And James Siddon, who swore he wouldn't look another girl in the eye, pops up 24 hours later with Dorothy Chitter, and he claims she's worth more than just taking a look at. . . . Will someone please tell me why David Waite is always carrying books when he's with Miss Schingler. I don't quite get the point—books, campus, girl, nope, I don't get the connection. . . . Have you noticed the officers since they have their little silver cloth sewed on their shoulders? Kinda in the clouds, aren't they? Get down to earth men! . . . "Advice for lovers," and "We will tell one how for a small fee" men of the campus, otherwise known as the "We wish we were wolves like the other men," Don Smith, Wailand Wilson, Donald Webb, wanted it known that they would like to trade a little information. . . . And Jerry Suson, the fellow with the sisters, wants it kept quiet about his sisters coming

### LOWER MEAT PRICES

Effective June 21, meat prices at retail will be lowered from 3 cents to 7 cents a pound by order of the OPA. New prices for cured and processed pork will go into effect on July 5. Reductions in price are smaller on cheaper cuts and larger on the more expensive. As in the case of the rollback of prices on butter, the lowering of meat prices will not directly affect the farm producer. Subsidies, which began June 7, will be paid to anyone who slaughters 4,000 pounds of meat or more per month.

### WRITE TO MEN IN ICELAND

"American soldiers in Iceland are not getting nearly enough mail from home, said Chaplain Peter E. Cullom, who recently returned to the U. S. after two years of duty with Icelandic garrisons. "In spite of the fact that the Army delivers the mail with promptness and regularity to every Army post in Iceland, folks at home are not taking full advantage of this service," Chaplain Cullom said.

### RATION REMINDER

Shoes: Stamp No. 18 (1 pair) became valid June 16.

Meats, Etc.: Red Stamps, J, K, L, M good through June 30. N becomes valid June 20.

Processed Foods: Blue Stamps K, L, M, continue good thru July 7.

### MORE FARM MACHINERY

A total of 300,000 tons of carbon steel, with other materials in proportion, has been allocated to the farm machinery program for the quarter beginning July 1. An additional 200,000 tons of steel have also been approved for each of the three quarters from October 1, 1943, to July 1, 1944. During the third quarter of this year, special emphasis will be given to the manufacturer of harvesting machinery for this year's crop. The whole farm machinery program has been stepped up.

### ICE BOX PRICES

Retail price ceilings on new ice boxes have been established by OPA by models and states. Present prices will be lowered in many cases. Three sets of retail ceilings have been provided: (1) sales by ice companies and their stores, prices ranging from \$26.75 to \$75.50 delivered; (2) mail order sales—\$18.95 to \$59.95; (3) all other sales at retail—\$30.75 to \$88.75.

### COFFEE BY MAIL

Coffee drinkers who order their blends by mail may now "pay" for the purchase by enclosing detached ration stamps with the order rather than the entire ration book, OPA has announced. Formerly, consumers were required to forward their war ration book to the retailer or wholesaler for removal of stamps.

down this week end. . . . Want to know why Charlie Taylor has been the little angel this past week? His gal, the one, came down from Illinois.

That ends the third round of the great fight that is developing between the writers of this column and the men of the flight. See 'ya next week!

## Getting Furloughs Easy For Those Lind Brothers

When the Lind Brothers of the 328th Medical Battalion, Camp Claiborne, apply for another furlough, they are very likely to get it! Uncle Sam and Mr. Morgenthau would very probably endorse their applications.

The three Cactus Division privates have come back from a furlough spent in Chicago and Milwaukee. And they did all right in those two cities. In fact, they sold \$143,000 worth of War Bonds, at benefit concerts.

At Milwaukee the concert admission price was a \$25 War Bond. But after the Lind brothers sang "A Prayer for Peace," a man in the audience put in an order for \$10,000 in bonds. The song was composed by their father, Joshua Lind, a native of Lemberg, Austria.

Before they joined the Army, the Lind brothers sang for a living, harmonizing as a trio with Dick Jergens and Eddie Cantor, and with NBC, CBS, and MBS.

Stenographer: Is waterworks all one word, or do you spell it with a hydrant in the middle?—The East Texan.

Friend: "So you're setting your boy up in the bakery business."

Man: "Yes, he's so keen for dough and such a swell loafer that I'm sure he'll rise in the business."

### INSPECTION REQUIREMENTS CHANGED

Tire inspections for commercial motor vehicles now may be made every 5,000 miles or every six months, whichever occurs first, ODT has announced. Previously, commercial vehicles had to have tire inspections every 5,000 miles or every 60 days whichever occurred first.

### DATA ON PRISONERS

American soldiers officially reported as prisoners of war in enemy countries to date total 17,083, the War Department has announced. Of these, 11,307 are held by Japan; 3,312 by Germany and 2,464 by Italy. However, these reports are incomplete. Information in the hands of the War Department indicates that the basic diet of an American soldier in German prison camps is largely potatoes, cabbage, fish and an indefinite amount of meat.

### TO SUBSTITUTE TIRES

Farmers needing farm implement or front wheel tractor tires will be permitted to purchase suitable substitutes when they are unable to find a dealer with tires designed expressly for their purpose, the OPA has announced. Dealers may also sell passenger car owners tires and tubes of a slightly different size than is called for by the rationing certificate.

### LEATHER FOR CIVILIANS

Manufacture of many civilian leather products, which was prohibited after June 1, can be continued through 1943 out of manufacturers' inventories, under a recent WPB amendment. Among products affected are dress gloves and mittens, brief cases, new upholstery, radio cases, pocketbooks, handbags, cigar and cigarette cases, key cases, tobacco pouches, watch straps and dog furnishings.

### ELECTRICITY TO FARMS

Rural electrification loans to 26 systems in 18 states have been made to a total of \$1,790,000 for immediate extension of service to more than 1,000 farms qualifying under present WPB regulations permitting connections to farms producing livestock, dairy and poultry products. The following allocations have been made in Texas: South Plains Electric Cooperative, Inc., Lubbock, \$10,000; Deep East Texas Electric Cooperative, Inc., San Augustine, \$85,000; Erath County Electric Cooperative Association, Stephenville, \$10,000; and Cap Rock Electric Cooperative, Inc., Stanton, \$10,000.

### MATERIALS FOR UNDERWEAR

Materials for knit underwear for men, women, and children will be made available by an action of WPB. Manufacturers have been assured of supplies of cotton yarn, thread, fabrics and other materials to meet essential civilian requirements.

### GAS COUPONS CHANGED

A new "TT" gasoline coupon, which replaces the present "T" coupon, will become valid for use

**YOUR automobile insurance is really comprehensive only if it covers your emergencies both whatever they are and wherever they occur.**

Ask this agency how **Hartford Comprehensive Automobile Insurance** gives you more for your money in this respect.

on July 1. The old type of "T" coupon will be invalid on and after July 1, except in the northeastern shortage area where it will be used through July 25. OPA expects the change in design to help take up "slack" mileage and remove potential sources of black market gasoline.

### NEW PIPELINE APPROVED

A 383-mile, 16-inch pipeline from Sundown, Texas to Drumright, Oklahoma, having an initial capacity of 54,000 barrels of crude oil daily, has been approved by the War Production Board under the recommendation of the Petroleum Administrator for War. Construction is expected to begin early in October, 1943, and should be in operation sometime in March, 1944, the administrator added, providing that materials and workmen are available on schedule. The pipeline will serve to provide middle western refineries with additional supplies of West Texas crude oil, thus helping to relieve the national oil shortage.

### WORKERS STAY ON JOB

Labor and management in the Southwest have given overwhelming support to the national wartime no-strike, no-lockout policy, a report by the Eighth Regional War Labor Board reveals. The region, including Texas, Oklahoma and Louisiana, has far surpassed the recent national record of only three one-hundredths of one percent of man hours lost through work stoppages. In the seven months the Regional WLB office has been in operation, only four strikes have been recorded, the report showed.

## Working Women

After you have found that job—we'll work for you.

You may be doing a man's job—in which case you want to be even more feminine during your off-duty hours.

Send your dresses and suits to us for safe, thorough cleaning. They'll not only look better and fit better but will last longer.

It pays to look neat!

## NEW FOOD GUIDE

HERE is Uncle Sam's new food guide. It's called the basic seven and consists of seven groups of foods which should be included in every day's menu.

It tells the same story which most women have learned in the widely distributed Guide to Good Eating. But it puts the same facts in a little different way.

So cut this out and tack it on the kitchen wall. If the family gets some of each of the seven groups of food each day plus anything else you care to add, they will have a well-balanced, body-building diet.

### THE BASIC SEVEN

- GROUP ONE . . .** Green and yellow vegetables, some raw—some cooked, frozen or canned.
- GROUP TWO . . .** Oranges, tomatoes, grapefruit or raw cabbage or salad greens.
- GROUP THREE . . .** Potatoes and other vegetables and fruits, raw, dried, cooked, frozen or canned.
- GROUP FOUR . . .** Milk and milk products, fluid, evaporated, dried milk, or cheese.
- GROUP FIVE . . .** Meat, poultry, fish or eggs or dried beans, peas, nuts, or peanut butter.
- GROUP SIX . . .** Bread, flour and cereals, natural whole grain—or enriched or restored.
- GROUP SEVEN . . .** Butter and fortified margarine (with Vitamin A added).

### Pleasantview

Word has been received this week that Mr. and Mrs. Ervin Meyer are the proud parents of a baby girl. She was named Jannie Mae.

Mr. and Mrs. A. B. Haynes, Jr., spent Sunday in the parental T. M. Moore home.

Miss Viola Dooley spent the last few days in Amarillo visiting Miss Pauline Moore.

Mrs. Carl Heizer called in the Milton Dooley home Saturday morning.

Mr. and Mrs. Earl Burtz and son, Clifford, spent Sunday visiting Mrs. Burtz's parents, Mr. and Mrs. Barnard.

### Jowell Items

Rosa Lee Westfall of Floydada is visiting her aunt, Mrs. E. B. Fee. Dorothy Mae Cope and Neil Stewart of San Angelo are visiting in the W. T. Cope home this week.

Mr. and Mrs. Marion Davis and family visited in the Earl Davis home Sunday.

James Nix visited his parents in Shamrock this week.

There were 39 in Sunday School Sunday. Brother Stewart preached following the Sunday School hour. Floyd Bonds is having two rooms added to his home.

### Johnson Items

Mr. and Mrs. I. L. Bauer are the proud parents of a daughter, Janell Ruth, born Monday, June 14 in the Osteopathic Hospital in Amarillo.

Mr. and Mrs. F. H. Bauer were business callers in Amarillo Saturday.

Miss Lula Spiser spent Friday night with Luella Spiser in Amarillo.

Mr. and Mrs. Lewis Harvey and Homer were dinner guests in the L. F. Spiser home Wednesday.

Mr. and Mrs. Milford Spier and son of Pampa and Mrs. Howard Zello and children of Borger spent Saturday with Mr. and Mrs. I. L. Bauer and family.

Mary Alice Bauer is spending the week with Frances Zello in Borger. The American Legion Auxiliary met with Mrs. L. F. Spiser Friday. Mr. and Mrs. L. F. Spiser and family were business callers in Amarillo Thursday.

Those attending to business in Amarillo Monday were Mr. and Mrs. E. J. Bauer and family, J. L. Bauer and children, Mrs. Elrado Hanks, Mr. and Mrs. F. H. Bauer and J. J. Bauer.

Frederick Spiser left Tuesday to report for Duty at Mare Island on Wednesday.

Leroy Bauer is working for Clarence Bauer at Tulia.
